 - 4-year varsity player
 - 1985 – 1986: Offensive Player of the Year (running back)
 - 1984 – 1985: Defensive Player of the Year (cornerback)
-

I WANT TO COACH BECAUSE:

- “I love working with kids and help them maximize their full potential. I absolutely love sports. With our youth today they need guidance and direction more so now than ever before because of social media and how easy it is for them to have access to negative influences in their lives. I am excited about being part of HLC and what they stand for.”
